June 12th -16th Wonders of Nature: Recycle, reuse and explore the many things nature has to offer and teach us. Rocks and minerals, natural paintings and walks in nature will keep the week filled with activities right outside our doors.

June 19th -23rd Some "Body" Loves Me: An anatomy lesson in how the body moves and works to create music, movement and art. Yes, you use our legs to walk, but what other ways can you use them? Arms, legs, hands, feet, and your head will all be utilized in unusually, extraordinary ways.

June 26th -30th Puppet on Parade: Puppets galore will be created by the campers this week. Puppets can be used to discover all kinds of ideas, thoughts, and feelings from within, and we will put them to use in skits throughout the week. Storytelling at its best!

July 3rd -7th Iron Chef: (All services will be closed on Tuesday July 4th) One ingredient, multiple delicious cooking masterpieces! Each day will be a different themed ingredient for the campers to use to create edible goodies.

July 10th -14th Messy, Messy Me: You are going to get dirty! Come prepared to create messy gooey snacks, amazingly messy art and compete in the ultimate shaving cream battle.

July 17th -21st Who Done It?: Based on the game of CLUE! You will gather clues throughout the week to determine who did it, where they did it and how they did it. The big mystery will be solved by week's end.

July 24th -28th What Happens If?: Curious minds want to know what happens if certain things are mixed together. Will they bubble, fizz, explode or have no reaction at all? Join us this week and enjoy a week full of experiments that will satisfy the most curious campers.

July 31st -August 4th Discover! Explore! Create!: From Picasso to Warhol to an artist of choice. You will explore and learn about the inspirations behind these artists' work and create your own pieces based on their medium.

August 7th -11th Zen at the End: You will finish the summer with a week of relaxation and calm to set you up for an amazing school year ahead. From yoga to meditation to spirit walks outside, join us for a refreshing week of nothing that actually leads to many things.
