

Dear Parents,

It is exciting to make plans for the academic school year 2021-2022. To help us meet the needs of your child(ren), as well as the little school at Kids Cottage, we are asking all parents to respond immediately for the best possible opportunity for placement.

Please note that all of our classes are based on age. In most cases, your child(ren) will be placed in a class based on his/her birth date. Information about what class your child will be placed in will not be available until late August 2021. However, we will confirm that your registration materials have been received and that your child's placement is secure.
